Cascade Locks Historical Museum 1 NW Portage Rd. Cascade Locks, OR	

Meetings

Our Society generally meets on the second Saturday of each month at 10:30 AM in the lower level classroom of the Columbia Gorge Discovery Center in The Dalles, OR. Following a brief summary of the morning's Board meeting and any announcements, programs are presented about genealogical research and family history writing practices. Notices will be sent in advance if any changes to time or location are necessary.

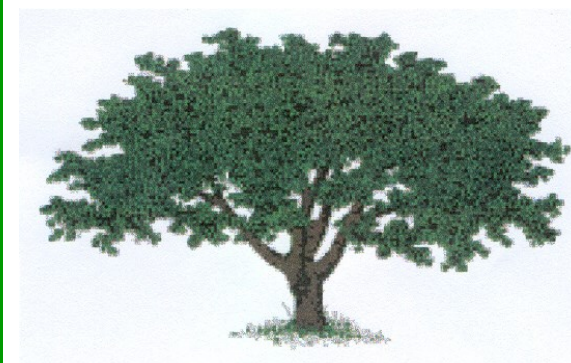

Visitors are welcome. There is a recommended donation of one dollar per person to defray room rental costs.

For those who are interested, our Board Meetings begin at 9:00 AM the same day and members are welcome to attend.

Membership

Anyone is welcome to join the Society. Membership entitles you to submit free queries, quarterly newsletters, monthly meeting reminders, and the full benefit of networking with other avid researchers. Dues are \$15 for one individual or \$20 for a family for the membership year January 1 through December 31.

**Searching back in time to
discover and preserve our
heritage**

Columbia Gorge Genealogical Society

Mission

Our society's mission is to assist members in developing their skills in the acquiring of information about their ancestors and the location and era in which they lived and to write their family's history if they wish to do so.

Newsletter

The society's newsletter, *Tales & Trails*, is published quarterly in January, April, July and October. The 20th of the month preceding publication is the deadline for submitting items to be included in the quarterly issues.

Society History

The society was founded in July, 1977. A small group of friends interested in genealogy research started meeting regularly to share their research methods and their difficulties and successes. It became a registered non-profit organization in Oregon in 1999.

Publications

In the beginning a lot of work was done indexing local vital statistics and newspaper items which were then published and available for sale. Given the increase in online availability of that information we are currently considering the conversion of our 25 publications into a digital format for posting on our website. A listing of those pub-

lications can be found at:
<http://community.gorge.net/genealogy>

Queries

Research requests are handled by members and should be specific to one individual and event. All requests should be sent to CGGS, P.O. Box 1088, The Dalles, OR, 97058-1088.
